CONGRATULATING MICHAEL J. MAHER ON RECEIVING THE MOTHER ROSALIE CLIFTON HILL SERVICE AWARD

HON. DARRELL E. ISSA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 15, 2008

Mr. ISSA. Madam Speaker, I rise today to honor Michael J. Maher upon his receipt of the University of San Diego's Mother Rosalie Clifton Hill Service Award for 2008.

In honor of Mother Rosalie Clifton Hill, the University of San Diego (USD) presents this award annually to an alumnus who personifies the spirit and philosophy of the University. Such a person must exhibit involvement, service enthusiasm and commitment well beyond what is expected of an USD alumnus; demonstrate support of, and service to the USD Alumni Association; and must exemplify in all aspects of his or her life an incorporation of honesty, loyalty, integrity and fidelity.

Michael J. Maher epitomizes these above mentioned qualifications. Graduating from the University of San Diego in 1970 with a bachelor's degree in philosophy, Mr. Maher returned to San Diego in 1976 to begin his 32-year professional career.

Maheer has been a fervent supporter of the University of San Diego's athletic programs. He has been instrumental in the continued success of the University's golf program as well as the Torero Athletic Committee. He has dedicated hundreds of hours of mentoring to student athletes.

His continued support of the University has positively influenced associates and fellow alumni to become more involved.

Madam Speaker, I ask you to please join me in congratulating Michael Maher upon his receipt of this esteemed honor.

WEEK OF THE YOUNG CHILD

SPEECH OF

HON. NANCY E. BOYDA

OF KANSAS

IN THE HOUSE OF REPRESENTATIVES

Monday, April 14, 2008

Mrs. BOYDA of Kansas. Mr. Speaker, on February 5, 2008 the President sent Congress his proposed budget. This budget is out of touch with the values of the good people who reside in the Second District of Kansas. I am deeply concerned about the President's funding cuts in early childhood education.

Head Start is a successful national school readiness program. It provides comprehensive education, health, nutrition and parent involvement services to low-income children and their families. Unfortunately, Head Start has experienced a 12 percent decline in funding from Fiscal Year 2002 through Fiscal Year 2009. These recent cuts have left individual Head Start programs strapped for funding and only able to serve about 40 percent of the eligible population of children and families. Without increased funding, this percentage will continue to decrease due to the reality that more families are having difficulty making ends meet. For Kansas, this means putting in jeopardy the over 50,000 children who currently use these services. I joined with my colleagues in sending letters to the Budget Committee and the Appropriations Committee asking them to make funding for Head Start a priority and hope we will soon vote to increase funds for Head Start.

The Child Care and Development Block Grant (CCDBG) program provides funding for child care for low income families. Child care costs continue to skyrocket—Kansas families pay an average of about \$9,000 a year for an infant in full-time center care. Yet federal support for affordable child care hasn't kept pace. Because of funding shortfalls, only about one in seven children eligible for federal assistance actually receives it. Over the last six years about 150,000 children lost child care due to CCDBG funding shortfalls. Congress must renew its commitment to making sure our children—our future—are not the ones bearing the burden of tight financial times. Kansans rely on CCDBG—in 2005, 18,800 Kansas children were served by the CCDBG. We need to make sure that Kansas' working parents have access to low-cost, high-quality child care so they can continue working and supporting their family. I joined in sending a letter to the Appropriations Committee asking them to support funding for the Child Care and Development Block Grant (CCDBG) program and hope to vote for an increase in funding this year.

My fellow colleagues, it is time that we have a frank and open conversation with the American people. The decisions that this Congress is going to have to make for this next fiscal year are going to be tough, but they must be done. Over the next months, we must work together to restore fiscal responsibility and, at the same time, make sure we deliver services to our constituents. Being fiscally responsible does not mean that we can forget about the importance of early childhood education. Programs like Head Start and CCDBG are important for everyone involved: they enable lower income families to work and improve their economic situation; they make sure that dedicated public servants, like child care providers, receive the compensation they deserve; and they ensure that all children get the social and educational start that will serve them throughout their lives.

HONORING CHUCK AND BOBBIE TERRELL

HON. JOE BACA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 15, 2008

Mr. BACA. Madam Speaker, on May 16, 2008, the San Bernardino community will

gather to honor Chuck and Bobbie Terrell as they are presented with the prestigious Golden Baton Award from the San Bernardino Symphony Guild. In the Guild's 77 years of its existence, this will only be the ninth time that this honor has been awarded. The Guild is honoring them not only for their significant contribution to the San Bernardino Symphony but also for their commitment and dedication to the San Bernardino community as a whole for having spent over 50 years in the field of education.

After honorably serving his country in the United States Marine Corps, Chuck began his career by teaching social science at Azusa High School in 1956. Over the next 10 years, he served as a teacher, a counselor, the director of activities, the unit administrator, and finally, as principal, starting in 1963. During those years, Bobbie supported her husband by raising their children, and also stayed active in her church, the Jr. Women's Club and the United Way. In addition to performing his duties as principal, Chuck received his education doctorate from the University of Southern California.

From 1966 to 1977, Chuck served as superintendent of schools for the communities of Needles, Corona and Norco. Bobbie received her B.A. in psychology from Cal State Fullerton in 1974, and began teaching elementary school in Chino.

For the past 30 years the Terrells have made their home in San Bernardino. Chuck became San Bernardino County Superintendent of Schools in 1982 and worked in that capacity until his retirement in 1993. After receiving her master's degree in counseling from Cal State San Bernardino, Bobbie worked in the Alvord School District as an elementary counselor and a resource specialist. Bobbie eventually earned her school psychologist's credential from Cal State San Bernardino and became a school psychologist in the Jurupa Unified School District until her retirement in 1993.

Their careers aside, I am sure the Terrells would say that their greatest accomplishment is their family, which includes their children Greg and Kathy, their six granddaughters and two great-grandchildren.

In retirement, the Terrells continue to serve their community as they always have. Chuck still serves San Bernardino to this day, as president of the board of trustees for the San Bernardino Community College District. Bobbie has served as treasurer for the San Bernardino Symphony Guild for the past 4 years. Active in the Presbyterian Church, she has also served as treasurer at the presbytery level for 6 years.

Madam Speaker, it is my great honor to recognize the service, sacrifice, and dedication of Chuck and Bobbie Terrell. Their impact on our community over the years serves as a great reminder that a life spent educating others is a life of a true patriot.
